BLUEGLASS

BLUEGLASS...for food is a collection of standard jars, designed and produced by the very best manufacturers in Europe, for your satisfaction.

BLUEGLASS also helps you create your own container, designed to suit your own needs!

With...

No label look application of translucent pressure sensitive labels

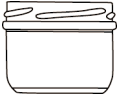

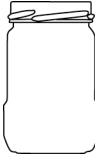

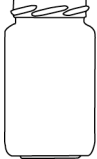

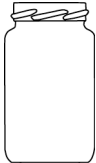

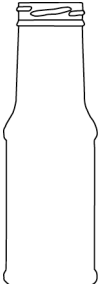

Screen printing up to 8 colours, combined with coating or acid-etching, the premium touch for your product.

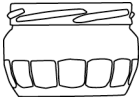

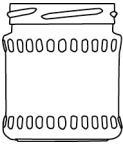

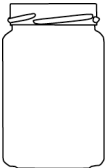

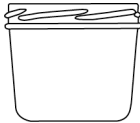

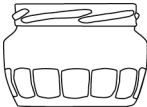

Sleeves with suitable materials for pasteurization, rotogravure or offset printing, temperature or light reactive inks.

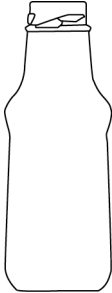

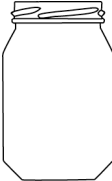

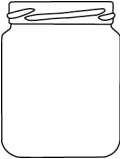

Embossing in glass evolution of standard jar or genuine creation, a discrete touch of tradition and sophistication.

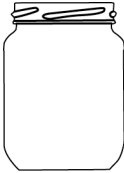

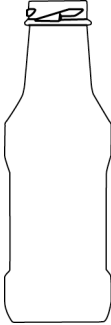

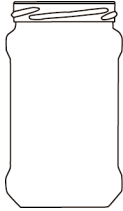

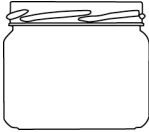

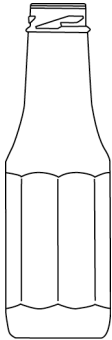

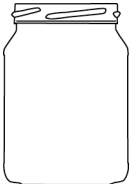

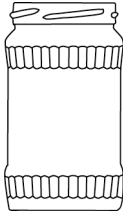

Our experience in the glass industry combined with agreements with several decoration companies enable us to make your projects come true in just a few months. One contact person at BlueGlass manages your project from design to production.
